Circular to Operators – Sampling

Ref. No.: ADITI/HO/2023/Circular/002

Dear Valued Operators,

Greetings from Aditi Organic Certifications Pvt. Ltd.

Thank you for partnering with us in the organic agriculture value chain. Aditi is committed to transparency in all operations and activities, and we thank you for your support and adherence to this policy.

As an endorsement of this policy, we require the following procedures to be strictly followed in respect of samples collected during the audit conducted by our inspectors:

1. All Operators must safely keep one set of all samples collected during the audit in their office and made it available to Aditi as and when required. The samples must be packed in food-grade packaging, sealed, and adequately labelled.
2. It is mandatory for all operators to notify the any positive test results of samples collected for analysis of residues/contaminants, to APEDA and the buyer, within 3 working days of receipt of the sampling test result.

We look forward to your continued support and cooperation.

With kind regards,

For ADITI ORGANIC CERTIFICATIONS PVT. LTD.
