Subject: Updated Fee Structure Notification for the New Financial Year-2024/25

Ref. No.: ADITI/HO/2024/CIRCULAR/004

Dear Valued Clients of Aditi,

Warm greetings as we approach the commencement of the new financial year.

First and foremost, we would like to extend our heartfelt gratitude for your unwavering confidence and trust in Aditi's certification services. Your continued patronage is deeply appreciated, and we are committed to upholding the highest standards of service excellence in the organic agriculture sector.

In our ongoing efforts to ensure transparency and efficiency, we have conducted a thorough review of our pricing strategy. As a result, we are pleased to introduce our revised fee structure, effective from April 01, 2024.

These adjustments reflect our dedication to providing exceptional certification services while remaining competitive within the industry. It is important to note that we have not revised our fee structure in the last two years. The previous revision was on March 29, 2022. The present modest increase in our fee structure is essential to maintain the quality of our services and to accommodate changes in operational and overhead costs.

At Aditi, we prioritize customer satisfaction and are committed to delivering unparalleled value to our clients. Your partnership is invaluable to us, and we are grateful for your ongoing support.

Should you have any questions or require further clarification regarding the updated fee structure, please do not hesitate to contact us. Our team is readily available to assist you.

Thank you once again for your continued trust in Aditi. We look forward to continuing our successful partnership with you in the coming financial year and beyond.

With Kind regards,

For ADITI ORGANIC CERTIFICATIONS PVT. LTD.
