**Subject: Important: Final Reminder for Compliance with APEDA Advisories**

Ref. No.: ADITI/HO/2024/Circular/016

Dear Valued Clients,

Warm greetings from Aditi Organic Certifications Pvt. Ltd.

We are writing to follow up on four crucial advisories issued by APEDA in 2024, as we prepare for the transition to the new Tracenet System:

- **Advisory on Uploading Identity Proof of Certified Operators and Farmers on Tracenet, dated March 28, 2024**
- **Advisory on Verification of ICS Office of a Grower Group, dated April 12, 2024**
- **Addendum to Advisory on Uploading Identity Proof of Certified Operators and Farmers, dated May 10, 2024**
- **Display of Scope Certificate and Farmers List at ICS Office, dated August 06, 2024**

Our teams have been diligently following up with all operators, providing the necessary support and assistance to ensure compliance with these crucial advisories.

As APEDA plans to implement the new Tracenet System shortly, adhering to these advisories has become imperative. Non-compliance may not only lead to stringent actions but could also restrict your access to the Tracenet system. To ensure a smooth transition and uninterrupted flow of certification and trade activities, we request that all clients comply with these advisories by **September 02, 2024**.

We sincerely appreciate the cooperation and efforts of those who have already taken the necessary steps. For those who have not yet complied, we urge you to do so promptly. Please note that continued non-compliance, despite repeated reminders, may lead to consequences beyond our control.

Our teams will continue to follow up with you to facilitate full compliance with the NPOP Standard. We are grateful for your ongoing support and look forward to our continued partnership as we navigate the new Tracenet regime together.

Thank you and best wishes,

For ADITI ORGANIC CERTIFICATIONS PVT. LTD.
